

Homework assignment set on 12/12/2008.

Name: Test Pupil

My drop box is now available on my site if you need to send anything.

**Topics covered during the lesson:**

Blues scales. Major chords.

**What you should be trying to achieve with your practice:**

Learn the 5 shapes of the blues scales. Memorise the chord shapes, remember not to press too hard when you play them. Make sure your finger tips are at 90 degrees to the fretboard and check each string to make sure every note is clear.

Your next lesson is on 26/12/2008 at 9pm.
